

Financial Services Guide

Version number 24.02

1 March 2024

The purpose of this Financial Services Guide

This Financial Services Guide (FSG) has been authorised for distribution by the authorising licensee, Count Financial Limited ABN 19 001 974 625, Australian Financial Services (AFS) Licence no. 227232 ('Count').

Count is the AFS Licensee that authorises your Count financial adviser ('Adviser') and their firm ('we', 'us', 'our') to provide financial services.

This is an important document designed to provide you with information to make an informed decision about whether to use the financial services that we provide.

This FSG is divided into two parts and both parts must be read together. Part One of this FSG provides important information about Count and the financial services it is responsible for. Part Two of this FSG is an Adviser Profile and more specifically outlines the services, fees, and other important information applicable to us, as an authorised representative of Count.

Part One

Part One of this FSG provides information about:

- Count as the holder of the AFS License that authorises us to provide financial services;
- Relationships or associations with other entities;
- Other disclosure documents you may receive;
- The financial services and types of products we provide or recommend;
- Collecting your personal information and providing us with instructions;
- Fees or costs that may apply to you;
- Remuneration that Count, us, your Adviser, or a related entity may receive; and
- What you can do if you are not happy with our services or have a complaint.

Not Independent

Count and its authorised representatives maintain relationships with product issuers which prevents us from being classified as *independent, impartial, or unbiased* under s923A of the Corporations Act 2001.

Commission Payments

Count and its authorised representatives may receive regulated commissions from life insurance product issuers where financial services are provided in relation to these products.

For more information on commission payments, refer to section 4.

Count's Approved Product List (APL)

Authorised representatives of Count are generally restricted from recommending products that are not part of Count's APL.

Count utilises Lonsec Research as a primary research provider for the construction of Count's APL. Lonsec Research is a wholly owned subsidiary of Lonsec Holdings Pty Ltd (ABN 41 151 235 406) (Lonsec Holdings). Lonsec Investment Solutions Pty Ltd (ABN 95 608) is also a subsidiary of Lonsec Holdings, and portfolios managed by this entity may appear on Count's APL.

Count has established a partnership program with a number of financial product issuers, through which it receives financial benefits. While these financial benefits are strictly governed for the purpose of funding education initiatives for Count's authorised representatives, participating product issuers may also have products included on Count's APL. For more information on Count's APL, refer to 'Approved Products', in section 3, below.

1. About Count

Count's purpose is to help Australians afford their dreams. Count educates clients and help them make informed decisions about their future. So, whether you are just starting out or approaching retirement, Count can assist you by providing you with a financial plan which gives you greater control over your financial future.

Count's relationship with Count Limited

Count is a subsidiary of Count Limited ABN 111 26 990 832 ("Count Limited"). Count Limited has subsidiaries and associates that provide accounting and financial advice services. Many of the Count Limited subsidiaries and associates that provide financial advice services do so as authorised representatives of Count.

Other relationships which might influence Count in providing financial advice services

Hub24 Limited

Count Limited is the owner of Count. HUB24 Limited is an ASX listed provider of investment administration platform and technology services and holds a material shareholding in Count Limited.

The Hub24 platform is available to us through an APL. We are obliged to always act in a client's best interests and will only recommend the use of the Hub24 platform if it is appropriate to do so. We also continue to use other platforms to implement our investment advice and you are free to request us to use an alternative platform if you would prefer. Importantly, we are not under any incentive, sales target, or obligation to recommend the Hub24 platform.

CARE Managed Accounts

DWA Managed Accounts Pty Ltd ('DWA') (AFSL 264125), a subsidiary of Count Limited, will receive fees for the provision of investment advice in their role as investment adviser to the CARE investment process (please contact your Adviser for more details of the CARE investment process). Any such fees will be outlined in the SoA, should it be applicable, and relate to the work done by DWA's Investment Committee in maintaining the CARE portfolios.

The CARE Portfolio Management fee is 0.297% (inclusive of GST) of funds invested as part of CARE. For example, if your account balance in the CARE Managed Account facility was \$100,000, the fee would be \$297 (inclusive of GST) for that year.

No part of this fee is paid to Count.

2. Disclosure documents

You may receive the following documents when your Adviser provides financial services to you.

Statement of Advice (SoA)

If your Adviser provides personal advice tailored to your circumstances and needs, you will receive a SoA. The information contained in the SoA will help you make an informed decision in relation to the advice provided. It also sets out the advice, the reasons for the advice and details about any remuneration payable.

Record of Advice (RoA)

In certain circumstances, if you were previously issued with a SoA, your Adviser may provide further advice without the need for another SoA. Where this is the case, you will be provided with a Record of Advice (RoA). Additionally, in certain circumstances where you are provided advice on a small investment balance you may be issued with a RoA. Your Adviser may provide you with a copy of the RoA, which will outline the advice, the reason for the advice, and details about any remuneration payable.

Product Disclosure Document (PDS)

You will receive a PDS if your Adviser recommends a financial product or offers to arrange the issue of a financial product at your request. The PDS contains information about a financial product's features, fees, benefits and risks.

3. Services and products we offer

Having access to a comprehensive range of products and services helps ensure your Adviser can provide a tailored financial solution just for you.

Advice services we provide

Count's AFS Licence authorises the provision of financial services related to the following classes of financial products:

- Basic deposit products
- Life insurance
- Government debentures, stocks and bonds
- Managed investment schemes
- Retirement Savings Accounts
- Securities
- Superannuation, and
- Standard margin lending

Approved products

Count's specialist product research team undertakes due diligence on product providers and also uses independent research providers to select a range of high-quality products which your Advisers may recommend.

While other products may also be suitable to your needs, your Adviser will generally only provide advice on products that are listed on the Count APL.

All products included on the Count APL must meet Count's rigorous selection criteria and approval process.

Depending on your objectives, financial situation and needs, your Adviser may need to recommend a financial product that is not on the Count APL. If this occurs, any product recommended by your Adviser must still meet Count's selection criteria and approval process. The specific financial services and types of products that your Adviser is authorised to provide are outlined in Part Two of this FSG.

Non-advised transactions

At times you may wish to make an investment transaction and do not need assistance from us with any decisions in relation to the product or transaction. In these cases, we can take your instructions and arrange for the transaction to be completed, without providing personal advice. If you wish to proceed without advice from us, we will ask you to confirm your instructions in writing and sign an acknowledgment form. Any assistance we provide to complete your transaction should not be taken as a recommendation or endorsement of the product or transaction.

Services Count is not responsible for

Count is only responsible for those financial services or products offered by your Adviser in their capacity as an authorised representative of Count. This does not include any other services your Adviser may provide in any other capacity, including as an accountant or tax agent, such as:

- Taxation advice and services, e.g., completing tax returns,
- Accounting and audit services,
- Self-Managed Super Fund compliance and administration services,
- Advice on specific credit products (excluding Margin Lending),
- Business or legal advisory services,
- Advice on unlisted or private companies and investments, private development funds, franchises, high yield debentures, direct property, property syndicates, solicitor's or other mortgage schemes, derivatives, general insurance or direct international share holdings, and
- Any other services not provided as an authorised representative of Count.

In all your interactions with your Adviser, it's essential to ensure that you understand who is accountable for the advice or services offered to you. If you need additional clarification, please feel free to contact your Adviser or Count.

In order to provide tax (financial) services to you an Adviser must be a Qualified Tax Relevant Provider (QTRP). Based on the information collected from you, your Adviser will consider the tax consequences that relate directly to the financial advice being provided, however, this financial advice will not include an assessment of your overall tax position. To determine how your Adviser's financial advice fits with your overall tax position, you should seek separate tax advice about liabilities, obligations or entitlements that arise, or could arise, under taxation law.

4. Remuneration that we or Count may receive

All advice fees, including non-advised fees, and commissions must be paid directly to Count as the licensee. Count may retain a percentage, and the remainder, that is attributable to the financial services we provide, is passed on to us.

If the fees, commissions or benefits cannot be determined at the commencement of our services, we will describe the manner by which they are calculated and provide you with an estimate of the applicable remuneration.

Financial planning advice fees

The fees or other costs associated with the services we offer and products we recommend depend on the complexity of your situation and the nature of the advice provided.

Your Adviser will discuss and determine the fees with you before providing any advice or services. Typically, payment for our services is through our financial planning advice fees.

We will clarify the method for calculating costs and provide you the actual costs in an agreement before starting any work that you will be charged for. You can ask for more information about the fees and the remuneration we may receive. The fees and charges for our advice and service may be based on a fixed dollar amount, percentage of funds invested, an hourly rate, or any combination of these.

Where we are aware that you have used borrowed funds to invest, including where we recommend that you borrow to invest, we will not charge you percentage-based fees on the borrowed amount.

Our financial planning advice fees generally include charges for providing you with a SoA, RoA, ongoing advice and services, or other transaction-related fees. You may choose to pay these fees directly or from an eligible financial product which you hold, or which we recommend.

Please refer to Part Two of this FSG for further details on fees that we charge.

Insurance commission payments

When we advise on an insurance policy that you hold, or we recommend, we may receive initial and ongoing commission payments from the product issuer.

An initial commission is a one-off payment made upon entry to a financial product and an ongoing commission is paid each year, starting from the second year, as long as you hold the policy. These commissions are a percentage of the premiums you pay. They are not paid directly by you but instead paid by the product issuer. We only receive commission where we are entitled to receive these payments through existing arrangements with product providers.

If you are charged a financial planning advice fee, we may rebate some or all of the above commission to you.

Detailed Commission Rates

Additional cover added to an existing product which was issued before 1 January 2018

The initial commission we receive on insurance products may be up to 124% of the first year's premium. The ongoing commission we receive may be up to 33% per annum of the renewal premium.

Additional cover added to an existing product which was issued after 1 January 2018 and before 1 January 2020

Where additional cover is added on or after 1 January 2019 and before 1 January 2020, to an existing product issued after 1 January 2018, the initial commission that Count will receive will be no more than 77% of the increase in premium. The ongoing commission that Count can receive will not exceed 22% p.a. of the premium (33% p.a. of the premium for level commission structures).

Additional cover added to an existing product after 1 January 2020

Where additional cover is added on or after 1 January 2020, to an existing product issued after 1 January 2018, the initial commission that Count will receive will be no more than 66% of the increase in premium. The ongoing commission that Count can receive will not exceed 22% p.a. of the premium (33% p.a. of the premium for level commission structures).

New products issued on or after 1 January 2020

The initial commission that Count may receive on insurance products applied for and issued on or after 1 January 2020 will be no more than 66% of the premium in the year of issue. The ongoing commission that Count can receive will not exceed 22% p.a. of the premium (33% p.a. of the premium for level commission structures).

Referral fees

If you have been referred to your Adviser or us by a third party, Count Limited, Count or the Adviser's firm may also receive a benefit for referring you to third parties for

specialist services. These benefits are not passed on to your Adviser.

Class Super is Count's preferred third-party service provider of software to assist in the administration of Self-Managed Super Funds. In situations where you purchase this software Count Limited may receive up to 17.5% of the annual software licence fee.

If applicable, further details will be disclosed in Part Two of this FSG or within your SoA.

Count Bonus Scheme

Your Adviser is employed by a Corporate Authorised Representative (CAR) of Count and may also be a shareholder in that entity. This CAR may receive a monetary benefit which relates to the financial performance of Count, through participation in a bonus scheme. Whether the CAR receives any benefits depends on meeting specific criteria including financial and compliance standards.

Fee rebate or waiver

Count, your Adviser and/or we may also receive fee waivers, fee subsidies and/or fee reimbursements. These fees are for the provision of support services provided by Count to its authorised representatives, including expenses such as annual membership fees, software and data service fees, paraplanning fees, as well as travel and accommodation costs related to conferences and training events.

Professional Development Sponsorship

Count Limited may receive sponsorship payments from product providers which are in no way linked to volume of sales. These sponsorship arrangements help Count Limited to offset the organisational and running costs of providing education and training services to Count's authorised representatives.

Safeguards Adopted

Count has adopted safeguards to manage conflicts of interest that may arise wholly or partially in relation to the activities that we undertake. These may include:

- us providing full disclosure of the conflict of interest, potential conflict of interest, or perceived conflict of interest to you,
- us referring you to another adviser to provide advice to you, and
- us declining or withdrawing the services provided to you.

We consider these safeguards to be a robust and effective way to manage and prevent conflicts of interest. If we detect a conflict of interest, we will act as an impartial advisor would, prioritising advice that is in your best interests.

5. Complaints, privacy and compensation arrangements

Step 2: Contact the Count Complaints Manager

In these circumstances your complaint will be escalated to the Count complaints manager who will aim to resolve your complaint quickly and fairly and will communicate a proposed solution to you. Count will try to resolve complaints as quickly as possible, and in any event within 30 days of receipt of your complaint. Count will let you know if it needs more time to finalise your complaint.
